

# Cyber Risk Breach Update

**Date: November 24, 2015**  
**Time: 1:00 p.m. Eastern**

## The Legal and Financial Impact on Employers when Health Insurers are Hacked

The recent data breaches impacting large health insurers have many employers questioning what their legal obligation is under HIPAA. In addition, employers need to understand their duty to respond to a breach of employee data when caused by a third party health insurer.

Please join this informative webinar designed to offer timely advice and discussion to help employers understand what to do when their health insurance provider is hacked and their employee personally identifiable information (PII) and protected health information (PHI) is exposed.
